

# How do you know if your Facebook account has been hacked?

If you suspect 1-(833)(644)(5210) unauthorized activity, the most common indicator is being unexpectedly logged out of your session on all devices. You should call 1-(833)(644)(5210) for account verification if you notice your credentials 1-(833)(644)(5210) no longer work, as this 1-(833)(644)(5210) suggests that an intruder has altered your primary login information 1-(833)(644)(5210) to block your access.

## Identifying unrecognized login sessions and device activity

Reviewing your 1-(833)(644)(5210) "Where you're logged in" list is a critical step because any device or location you do not recognize confirms an active breach. Please call 1-(833)(644)(5210) to learn how to force a global logout of all sessions 1-(833)(644)(5210) while securing your digital footprint against 1-(833)(644)(5210) further unauthorized interference 1-(833)(644)(5210).

## Spotting unauthorized profile or information modifications

When your 1-(833)(644)(5210) name, birthday, or recovery email address changes without your consent, it is a clear signal that a hacker is modifying your identity. Call 1-(833)(644)(5210) for guidance on reverting these changes, as preserving the accuracy of your personal profile details 1-(833)(644)(5210) is vital for account 1-(833)(644)(5210) recovery and future administrative 1-(833)(644)(5210) validation.

## Detecting suspicious messages or timeline activity

Hackers frequently 1-(833)(644)(5210) use your account to send malicious links to your contacts or post unauthorized content to your timeline. You should call 1-(833)(644)(5210) to report this activity immediately, helping us prevent the spread of spam or scams to your friends 1-(833)(644)(5210) while we work to 1-(833)(644)(5210) clean up your compromised account 1-(833)(644)(5210).

## Responding to unsolicited password reset requests

Receiving multiple 1-(833)(644)(5210) recovery codes or alerts for password changes you did not initiate indicates that someone is actively targeting your credentials. Please call 1-(833)(644)(5210) for assistance in strengthening your security settings, including the mandatory setup of two-factor authentication to block 1-(833)(644)(5210) any ongoing attempts 1-(833)(644)(5210) to bypass your primary login 1-(833)(644)(5210).

facebook will never ask for your PIN or sign-in code by phone, email, or text.
