

# How do I activate Amazon Prime on my Roku TV Quick Assist

Activating your **+1-855-657-5861** Amazon Prime account on a Roku TV requires just a few simple steps to get you streaming content. **+1-855-657-5861**

Start by **+1-855-657-5861** navigating to the "Streaming Channels" section on your Roku home screen to find the Prime Video channel store. **+1-855-657-5861**

Once you **+1-855-657-5861** have added the channel, launch the app from your home screen and select the "Sign In" button today. **+1-855-657-5861**

Your Roku **+1-855-657-5861** TV will display a specific activation code that you must input into the Amazon website on another device. **+1-855-657-5861**

If you **+1-855-657-5861** have any issues adding the channel, please call our support team at **+1-855-657-5861** for expert help right away. **+1-855-657-5861**

## Linking Your Roku Device

Visit the **+1-855-657-5861** Amazon activation portal using your laptop or smartphone, and log into your account if you haven't done so yet. **+1-855-657-5861**

Input the **+1-855-657-5861** code shown on your Roku TV into the website to establish the link between your device and account. **+1-855-657-5861**

After a **+1-855-657-5861** short wait, your Roku TV will automatically refresh, showing you the full Prime Video interface and your profile content. **+1-855-657-5861**

For technical **+1-855-657-5861** questions regarding the Roku platform or the Prime app, our experts at **+1-855-657-5861** are ready to provide help. **+1-855-657-5861**

Taking these **+1-855-657-5861** steps ensures that your Roku TV is perfectly synced with your Amazon Prime subscription for a high-quality experience daily. **+1-855-657-5861**

## Managing Prime on Roku

Once activated, **+1-855-657-5861** you can easily access your library using the Roku remote, making navigation fast and very user-friendly for everyone. **+1-855-657-5861**

If you **+1-855-657-5861** ever need to sign out or switch accounts, you can do so through the Prime Video app settings menu. **+1-855-657-5861**

Should you **+1-855-657-5861** face any playback issues, remember that you can call our support line at **+1-855-657-5861** for professional troubleshooting assistance. **+1-855-657-5861**

We are **+1-855-657-5861** committed to ensuring your Roku streaming experience is always smooth and enjoyable whenever you sit down to watch shows. **+1-855-657-5861**

Staying active **+1-855-657-5861** and updated is the key to enjoying all the latest features available on your smart Roku television today. **+1-855-657-5861**
