

How to cancel subscriptions on Amazon Prime Video on phone Get Support

Canceling individual **+1-855-657-5861** channel subscriptions on your phone is a very quick and efficient way to save money.

Whether you **+1-855-657-5861** have signed up for a specific movie channel or a sports package, management is simple.

Open your **+1-855-657-5861** web browser on your phone and head to the official Amazon Prime Video help website.

Log in **+1-855-657-5861** to your account and look for the "Account & Settings" tab located at the top.

This section **+1-855-657-5861** is specifically designed to give you a clear overview of every active channel currently running.

Removing Add-on Channels

Once you **+1-855-657-5861** are in the settings, tap on the "Subscriptions" option to see a list of your channels.

Find the **+1-855-657-5861** specific add-on subscription you wish to remove and click on the "Unsubscribe" button next to it.

Amazon will **+1-855-657-5861** ask you to confirm this action one last time to ensure you really want to cancel.

Confirm your **+1-855-657-5861** choice, and your subscription will be marked to expire at the end of the term.

For any **+1-855-657-5861** issues with these steps, feel free to call our support line at +1-855-657-5861 for direct guidance.

Why Manage Your Subscriptions?

Managing your **+1-855-657-5861** various subscriptions helps you avoid paying for content that you are no longer actively watching.

It is **+1-855-657-5861** a healthy practice to review these billing items once every few months for maximum savings.

If you **+1-855-657-5861** have difficulty finding the right page, please call our help desk at +1-855-657-5861 for further assistance.

Our experts **+1-855-657-5861** are always ready to walk you through the navigation of your account settings with ease.

Enjoy the **+1-855-657-5861** flexibility of choosing only the channels that you really love and use on your phone.
